REPORTS OF COMMITTEES.

ON GENERAL INTERESTS OF THE CHURCH.

I. We regard the circulation of our Church papers as highly essential to the education of our peoples in the principles of our Church, and earnestly recommend that the Pastors use their best efforts to increase the circulation of said papers.

II. Whereas our Board of Ministerial Education are offering to assist young men in preparing for the Ministry, we ask that an assessment of five cents per member be laid upon all the charges, and that the Pastors collect the same.

III. Since our Colleges are in a flourishing condition, and offer better facilities and advantages than ever before, we appeal to our people for a liberal patronage.

IV. We think the Board of Home Missions are doing a good work in extending our Church throughout our country, and we ask that an assessment of five cents per member be laid upon all the charges of the District, and that the Pastors use all diligence to collect the same.

V. We are also in accord with the working of the Board of Foreign Missions, whose work is in Japan, and recommend that an assessment of five cents per member be collected from each Circuit and Station by the Pastor in charge.

VI. We further suggest that some plan be adopted by the Annual Conference to secure a superannuate fund in our Conference.

Respectfully submitted,

ROBERT AYCOCK, JR.,
Chairman.

ON TEMPERANCE.

I. We condemn both the sale and the drinking of all spirituous or malt liquors, as either is an evil, and we are commanded to shun its very appearance.

II. We insist that as a Church we should constantly strive to attain to higher and grander plains, and that we should let the world know that we, as a Church, stand second to none upon this most important question of Temperance.

III. We endorse all movements that tend to advance the Kingdom of Christ, upbuild the Church, and ennoble Man; and we

condemn all that tends to degrade, brutalize and destroy his God-given faculties.

E. J. BEADLES,
Chairman.

ON COLLEGES.

The Joint-College Committee recommend to the several Annual Conferences interested in the Southern Methodist Protestant College :

I. That the proposal of the Methodist Protestant College Land Company be adopted.

II. That each Annual Conference elect one minister and one layman, and that these constitute the Board of Directors to govern the College.

III. That the Conference Board meet annually at the Commencement of the College, elect teachers and officers, and prescribe rules for its government. That the Conference Board elect a Local Board, resident at or near Waco, Ga., and consisting of seven men, who shall carry out details of work, and sit with equal powers with the Conference Board.

IV. That the College be named Lipscomb College.

V. That books of subscription be opened in each Annual Conference to raise funds both for building and endowment.

VI. That the month of May, 1892, be set apart in all the Churches as Memorial Day for raising funds, and in honor of Rev. A. A. Lipscomb, D.D., LL.D., deceased.

VII. That an annual collection be taken in all the Conferences to defray incidental expenses of the Annual Meetings of the Board of Directors, such as traveling expenses, etc.

F. H. M. HENDERSON,
Committeeman for Georgia District.

Your Special Committee, appointed to consider the action of the Joint-College Committee, which convened at Montgomery, Ala., and to consider other papers bearing on this subject, presented above, recommend to this Annual Conference the adoption of the report of said Joint-College Committee.

Thirteen dollars and forty-five cents left in the hands of the Board at last Conference. The thanks of the Board are due Judge W. C. Adamson for his gratuitous services in securing this charter.
